PROPOSAL TO BRK
SUBMITTED ON June, 2024

**DTT PRO**

TECHNOLOGY | LIQUIDITY | SUPPORT

INTRODUCTION

Junior & Marcelo,

On behalf of DTT, we want to thank you for this opportunity to assist you in providing our DTT COMPETITION/Prop White Label Solution which streams with best in class technology solutions.

WORKING WITH DTT, YOU CAN BE ASSURED OF:

- **An Integrated Approach:** DTT is truly unique in offering fully integrated front and backend solutions. Working together, we can help you develop and implement competition software applications.
- **Unmatched Industry Expertise:** DTT and the team of professionals we assembled to serve you, have extensive knowledge of the trading market environments and the challenges that can arise.
- **The Right Resources:** We believe strongly in bringing the right resources and have assembled a team that leverages our industry leading technical expertise and experience across the firm for each component of this relationship.

WHY DTT?

- Market-leading provider of trading and infrastructure technology to the global trading industry
- Carefully evolved innovation underpinned by over a decade of development and advancement
- Highly experienced, regionally based, targeted customer service and engagement teams
- Solutions that are offered stand-alone and can be used with other products
- Lean, exceptional organization with a significant growing base of intellectual capital

We are grateful for the opportunity to submit this proposal and look forward to a long term and rewarding relationship for both of us.

Please contact Fred Scala with any questions at your convenience: +732-616-6349
